

BULLION WIRE and EMBROIDERED BADGE PRODUCTS

All the embroidered products are made in New Zealand. The bullion wire products are made overseas. We can sew a Velcro backing on if required, price on application.

Pricing: Because there are multiple applications for these products, the prices vary accordingly. Please either refer to the product you want as listed on our website at <https://www.rhodesianservices.org/cq-store.htm> or email thecqstore@rhodesianservices.org with your query.
